Teaching is the art of externalizing procedures and evaluation functions

Is it strange to have made something that hates you?
- Ava
Reference: Ex Machina

Without change, you will not have progress.
- Richard W. Hamming

For a mind to even approach its full potential, it needs cultivation by other minds.
- Ted Chiang
Reference: The Lifecycle of Software Objects

Experience isn't merely the best teacher, it's the only teacher.
- Ted Chiang
Reference: The Lifecycle of Software Objects

Hydrogen, given sufficient time, turns into people.
Marshall Brain
