

# Writing articles

Tom Rochette <tom.rochette@coreteks.org>

August 3, 2025 — [589edb9c](#)

- Define what is it you want to communicate
- Define why it is you want to communicate what you want to communicate
- Write down all the topics you want to cover
- Organize the topics in a structured manner (i.e., an outline)
- Write a draft
- Expand the points of the draft
- Review the grammar with LLMs
- Use keywords services to find topics that may be related and interesting to cover
